

Dept. Orders April 30, 2015

The NJ Dept. Encampment will be on June 13th, 2015 at : Fratelli's Italian Restaurant
1414 Route 130
Burlington, NJ 08016
www.fratellisristoranteitaliano.com

The meeting will start at 10:00, but I am asking for the officers to be present at 9:00 to set up the room and also go over the books. Will Lynda Doran, Patricia Wilhelm and Ashley Connelly be present to go over the books.

Officers of the Dept, and Auxiliary Officers should be wearing white. It was voted on at a National Encampment that white dress pants can be worn (no jeans). Members attending the Encampment should bring their current membership card and \$3.00 registration fee. If your auxiliary has not paid their per-capita, you will not be able to vote.

Each Dept. officer should have a prepared report of information that is going to be sent to you from the Auxiliary Officers (Vice President, Patriotic Instructor, Chaplain). Please compile all of the information from the Auxiliaries onto the Dept. Officers report form. The Dept. Secretary will be sending these out to the appropriate officers in the next few days. Please bring to the Encampment 3 copies of your report. If you can not attend the encampment please mail your report to the Dept. Secretary, she will be happy to present this for you before the members. Her address will be on the envelope you receive your Dept. form in.

All members should compile a list of their charity work done during this year. Please give this report to the Secretary of your Auxiliary so she can forward this on to the Dept. secretary. It is important for us to do our charity work to keep us as a non-profit organization.

The President of each Auxiliary can give a report of the activities that her Auxiliary has done during the year.

A letter from the Chief of Staff, Ashley Connelly will be going out to you also in the next few days. One letter of appeal is sent out to the members one time a year. These donations help to pay for expenses and donations that we give by our Dept. .

Congratulations : We would like to send out congratulations to Sister Haley Lamb on her recent marriage. Her new last name is Solomon. Congratulations to Sister Ali Yeager for her graduation from Lehigh University and her future job in Wisconsin.
